APPENDIX.

THE GARUDAMMA MEMORIAL SCHOLARSHIPS.

These were founded by Mr. B. S. Krishnaswamiengar, Retired District Judge, 4, Seshadri Road, Bangalore.

The endowment consists of a sum of Rs. 5,000 invested in the 6½ per cent Mysore State Loan. The interest thereon will be utilised every year for the award of four scholarships, each of Rs. 7-13-0 a month for ten months from the beginning of the academical year, to poor *Hebbar Srivaishnava Brahmin Students* prosecuting their studies in the College of Engineering, Bangalore, as detailed below, *one* in the 3rd year and *one* in the 4th year of the B. E. Classes (Civil Branch); and *one* in the 3rd year and *one* in the 4th year B. E. Classes (Mechanical Branch).

The continuance of the scholarship in the 4th year class to the holder thereof in the 3rd year class will depend upon his satisfactory work and conduct in the latter class. In awarding the scholarship to the 3rd year student *poverty* will be the sole ground, but in the award thereof to the 4th year student both *poverty* and *competency* will be taken into consideration.

If, in any year, the scholarships are not awarded for want of eligible students, the unspent amount will be disposed of by the University Council by award of scholarships or money-prizes to poor and deserving *Brahmin* students in any of the Colleges in the Mysore State, *Hebbar Srivaishnava Brahmins being always preferred.*

In the event of the present investment being changed and the annual interest accruing therefrom becoming less, the value of the scholarship may, if that deficiency is not supplied by the members of the donor's family, be proportionately reduced by the University Council.

Notification No. 1950, *dated the* 31*st July* 1927.

Doubts having arisen as to the interpretation of Rule (iii), (iii) of the Differential Minima Rules issued with Government Order No. E. 5303-5—Edn. 61-23-57, dated the 31st March 1927, whether candidates at the S. S. L. C. Examination of 1927, who have been declared eligible for admission to College Courses of study and disqualified from taking Science for the Intermediate Course will, under the aforesaid clause, be ineligible to take up Intermediate in Science Course leading to Medicine or Engineering, it is hereby notified as follows:—

1. All candidates who have been declared eligible for admission to College Courses of study and have obtained 35 per cent in Elementary Science and 35 per cent in Elementary Mathematics or Additional Mathematics will be eligible to take up Intermediate in Science Course leading to Medicine.

2. All candidates who have been declared eligible for admission to College Courses of study and have obtained 35 per cent in Elementary Science will be eligible to take up Intermediate in Science Course leading to Engineering, provided they have obtained 40 per cent in Elementary Mathematics or 35 per cent in Additional Mathematics.

3. The question of admission to these two courses will depend upon administrative convenience of the Education Department regarding staff, accommodation, etc., in the institutions in which provision has been made for these courses.

FINANCIAL DEPARTMENT.

SUBJECT—Procedure regarding the drawing and accounting of moneys drawn for acquisition of lands.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 100, *dated* 21*st July* 1927.

To

Deputy Commissioners of Districts,
and Treasury Officers.

Several cases have been noticed in which the amounts drawn by Civil Officers (appointed Land Acquisition Officers) from treasuries in connection with the acquisition of lands, are not accounted for properly and the rules laid down in Appendix XV, Mysore Account Code, Volume I, First Edition and the instructions contained in G. O. No. R. 632-92—L. R. 65-22-1, dated 25th July 1922, are not followed. Award statements and payees' receipts are not sent to this office promptly and moneys drawn are kept under "Revenue Deposits" *in the name of the Land Acquisition Officers* instead of in the name of the parties. The following instructions are therefore issued for the guidance of the Departmental and Treasury Officers :—

(1) As soon as an award is made by the Land Acquisition Officer, a copy of the award statement in the prescribed form (Form 67, Mysore Account Code, Volume 1) should be sent to the Comptroller, by the Land Acquisition Officer, additions and alterations, if any, in the award statement being also communicated to him.

2. Thereupon the Officer shall arrange for payment of compensation as indicated below :—

(*a*) If payment has to be made to each payee separately, the Land Acquisition Officer will countersign the receipt taken from the payee in Form 70, Mysore Account Code, Volume I and make it payable at the treasury to the payee.

(*b*) In the case of payments to be made to several individuals, the Land Acquisition Officer will draw the amount from the treasury on his own receipt as an advance, giving reference to particulars of land as also to the award statement and, in cases where the amount relating to an award is drawn in instalments particulars of the amounts previously drawn. The drawings will be limited to amounts required for payment to parties to whom notice of date of award of payment has been served. After making the payments, he will forward the receipts of the payees in Forms 70 and 71, Mysore Account Code, Volume I, direct to the Comptroller.

(*c*) When parties do not appear either personally or through a duly authorised agent, within the time specified by the Acquisition Officer, the amount will be remitted to the treasury for credit to "Revenue Deposits" *in the name of the party*, accompanied by a chellan in the special form (Form 73, Mysore Account Code, Volume I). The treasury receipt obtained in this special form will be sent to the Comptroller, as a voucher in support of the amount drawn. Subsequent payments will be dealt with under the rules relating to Revenue Deposits.

(*d*) If the parties, declining to accept payment, desire a reference to the Court, or if any of the other contingencies mentioned in Sections 30 and 31 (2) of the Land Acquisition Regulation (*viz.*, cases of disputes as to apportionment or title) has happened, the compensation money should be deposited in the Civil Court accompanied by a special receipt in triplicate in Form No. 72, Mysore Account Code, and the Court receipt obtained should be forwarded to the Comptroller. Subsequent payments will be dealt with under the rules relating to Judicial Deposits.

3. As soon as possession of land is taken, the date on which the possession was handed over to the departmental authority for whom it was acquired, should be intimated to the Comptroller.

4. The Treasury and Departmental Officers will use only the special forms prescribed in Appendix XV, Mysore Account Code, Volume I.

S. SHAMANNA,
Comptroller.

FINANCIAL DEPARTMENT.

SUBJECT—Procedure regarding the drawing and accounting of moneys drawn for acquisition of lands.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 100, *dated* 21*st July* 1927.

To

Deputy Commissioners of Districts,
and Treasury Officers.

Several cases have been noticed in which the amounts drawn by Civil Officers (appointed Land Acquisition Officers) from treasuries in connection with the acquisition of lands, are not accounted for properly and the rules laid down in Appendix XV, Mysore Account Code, Volume I, First Edition and the instructions contained in G. O. No. R. 632-92—L. R. 65-22-1, dated 25th July 1922, are not followed. Award statements and payees' receipts are not sent to this office promptly and moneys drawn are kept under "Revenue Deposits" *in the name of the Land Acquisition Officers* instead of in the name of the parties. The following instructions are therefore issued for the guidance of the Departmental and Treasury Officers :—

(1) As soon as an award is made by the Land Acquisition Officer, a copy of the award statement in the prescribed form (Form 67, Mysore Account Code, Volume 1) should be sent to the Comptroller, by the Land Acquisition Officer, additions and alterations, if any, in the award statement being also communicated to him.

2. Thereupon, the Officer shall arrange for payment of compensation as indicated below :—

(*a*) If payment has to be made to each payee separately, the Land Acquisition Officer will countersign the receipt taken from the payee in Form 70, Mysore Account Code, Volume I and make it payable at the treasury to the payee.

(*b*) In the case of payments to be made to several individuals, the Land Acquisition Officer will draw the amount from the treasury on his own receipt as an advance, giving reference to particulars of land as also to the award statement and, in cases where the amount relating to an award is drawn in instalments particulars of the amounts previously drawn. The drawings will be limited to amounts required for payment to parties to whom notice of date of award of payment has been served. After making the payments, he will forward the receipts of the payees in Forms 70 and 71, Mysore Account Code, Volume I, direct to the Comptroller.

(*c*) When parties do not appear either personally or through a duly authorised agent, within the time specified by the Acquisition Officer, the amount will be remitted to the treasury for credit to "Revenue Deposits" *in the name of the party,* accompanied by a chellan in the special form (Form 73, Mysore Account Code, Volume I). The treasury receipt obtained in this special form will be sent to the Comptroller, as a voucher in support of the amount drawn. Subsequent payments will be dealt with under the rules relating to Revenue Deposits.

(*d*) If the parties, declining to accept payment, desire a reference to the Court, or if any of the other contingencies mentioned in Sections 30 and 31 (2) of the Land Acquisition Regulation (*viz.*, cases of disputes as to apportionment or title) has happened, the compensation money should be deposited in the Civil Court accompanied by a special receipt in triplicate in Form No. 72, Mysore Account Code, and the Court receipt obtained should be forwarded to the Comptroller. Subsequent payments will be dealt with under the rules relating to Judicial Deposits.

3. As soon as possession of land is taken, the date on which the possession was handed over to the departmental authority for whom it was acquired, should be intimated to the Comptroller.

4. The Treasury and Departmental Officers will use only the special forms prescribed in Appendix XV, Mysore Account Code, Volume I.

S. SHAMANNA,
Comptroller.

FINANCIAL DEPARTMENT.

SUBJECT—Procedure regarding the drawing and accounting of moneys drawn for acquisition of lands.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 100, *dated* 21*st July* 1927.

To

Deputy Commissioners of Districts, —
and Treasury Officers.

Several cases have been noticed in which the amounts drawn by Civil Officers (appointed Land Acquisition Officers) from treasuries in connection with the acquisition of lands, are not accounted for properly and the rules laid down in Appendix XV, Mysore Account Code, Volume I, First Edition and the instructions contained in G. O. No. R. 632-92—L. R. 65-22-1, dated 25th July 1922, are not followed. Award statements and payees' receipts are not sent to this office promptly and moneys drawn are kept under "Revenue Deposits" *in the name of the Land Acquisition Officers* instead of in the name of the parties. The following instructions are therefore issued for the guidance of the Departmental and Treasury Officers :—

(1) As soon as an award is made by the Land Acquisition Officer, a copy of the award statement in the prescribed form (Form 67, Mysore Account Code, Volume 1) should be sent to the Comptroller, by the Land Acquisition Officer, additions and alterations, if any, in the award statement being also communicated to him.

2. Thereupon, the Officer shall arrange for payment of compensation as indicated below :—

(*a*) If payment has to be made to each payee separately, the Land Acquisition Officer will countersign the receipt taken from the payee in Form 70, Mysore Account Code, Volume I and make it payable at the treasury to the payee.

(*b*) In the case of payments to be made to several individuals, the Land Acquisition Officer will draw the amount from the treasury on his own receipt as an advance, giving reference to particulars of land as also to the award statement and, in cases where the amount relating to an award is drawn in instalments particulars of the amounts previously drawn. The drawings will be limited to amounts required for payment to parties to whom notice of date of award of payment has been served. After making the payments, he will forward the receipts of the payees in Forms 70 and 71, Mysore Account Code, Volume I, direct to the Comptroller.

(*c*) When parties do not appear either personally or through a duly authorised agent, within the time specified by the Acquisition Officer, the amount will be remitted to the treasury for credit to "Revenue Deposits" *in the name of the party*, accompanied by a chellan in the special form (Form 73, Mysore Account Code, Volume I). The treasury receipt obtained in this special form will be sent to the Comptroller, as a voucher in support of the amount drawn. Subsequent payments will be dealt with under the rules relating to Revenue Deposits.

(*d*) If the parties, declining to accept payment, desire a reference to the Court, or if any of the other contingencies mentioned in Sections 30 and 31 (2) of the Land Acquisition Regulation (*viz.*, cases of disputes as to apportionment or title) has happened, the compensation money should be deposited in the Civil Court accompanied by a special receipt in triplicate in Form No. 72, Mysore Account Code, and the Court receipt obtained should be forwarded to the Comptroller. Subsequent payments will be dealt with under the rules relating to Judicial Deposits.

3. As soon as possession of land is taken, the date on which the possession was handed over to the departmental authority for whom it was acquired, should be intimated to the Comptroller.

4. The Treasury and Departmental Officers will use only the special forms prescribed in Appendix XV, Mysore Account Code, Volume I.

S. SHAMANNA,
Comptroller.

Notice is hereby given that the undermentioned lands in the Chikmagalur Taluk, Kadur District, applied for for coffee cultivation, will be sold by public auction at 11 A.M. on Thursday the 20th October 1927, at Chikmagalur before the Deputy Commissioner or other Officer appointed by him subject to the confirmation of the Deputy Commissioner of this district.

2. The sale shall be by public auction under the usual conditions and the land shall be knocked down to the highest bidder above the upset price, namely, Rs. (10-0-0) ten per acre. The deposit of one-fourth of the upset price made by the applicant shall, if the land be knocked down to him at the auction, be credited towards his deposit of 25 per cent of the purchase money and it shall be refunded to him if the land is purchased by any other person in the auction.

3. The upset price fixed as above shall include survey expenses, and the right of Government to all reserved trees except sandal, which will always be reserved absolutely by Government.

4. The highest bidder should, immediately after the close of the sale, pay a deposit of 25 per cent of the purchase money inclusive of the deposit referred to in para 2 and the remainder before sunset on the fifteenth day from the date of sale as provided for by the rules in force; in default, the land will be resold at the risk of the defaulter, who will have to make good the deficiency, if any, at the second sale but will have no claim to the excess, if any.

5. The land sold under these rules shall be held free of assessment for the first three years and on half assessment for the next two years, full assessment being payable from and after the sixth year. But before the concession is granted, the purchaser must bind himself in writing to pay the full assessment from the first year in the event of his resigning the land after cutting down the timber on it or otherwise clearing any portion of it, but without having made any *bona fide* attempt to bring under cultivation the arable area included in it.
